Figure 1: A conceptual diagram showing the relationship between the number of people in a household (x-axis) and the number of people in a household who are 65 years of age or older (y-axis). The diagram includes a horizontal line at y=0 and a vertical line at x=0. The area where both x and y are positive is shaded light blue. The area where x is positive and y is negative is shaded light green. The area where x is negative and y is positive is shaded light orange. The area where both x and y are negative is shaded light purple. The diagram is labeled "Figure 1" in the top right corner.
